It is Well Love Prevails

In Christ, love has been made visible. Not the type of love that we've manufactured in our daily standard, but a perfect, holy, and powerful love.

Do you have a junk drawer at home? What's in it?

According to 1st John 4:7-10 the manifestation of LOVE occurred when Christ came in the flesh. Do you want to see real love? Look to Christ.

Look at the elements of the birth of Jesus. He comes in a stable, not a palace. He goes to Bethlehem, not Rome. Do you see the humility factor at play? Do you see how this is a display of His uncommon love for you?

And not only does Christ give love, but He gives life! You may exist but only in Christ do you truly live!

John 3:16-17 says that Jesus put on flesh and lived among us in order that the world would not be condemned, but would be saved. Do you see how this is real love and life giving?

Propitiation: An atonement. To appease. Jesus' life was to appease the perfect wrath of God, which is a holy demonstration of real love. Have you experienced that love?

We are marked by love. How can you love others?
