It is Well Peace Prevails

Peace is the settled-ness of the soul. It's a fruit of the Spirit which is a gift from the Father. The birth of Jesus was full of implications, one of which is the peace that Jesus brings.

Luke 2:13-14: *And suddenly there was with the angel a multitude of the heavenly host praising God and saying, 'Glory to God in the highest, and on earth PEACE among those with whom he is pleased.'*

If peace is resting joy, what is stopping you from feeling rest this Christmas season? Are you feeling joyful?

"While heaven offers praise, humans are to have peace."

- Darrell Bock

The wages of our sin is the inability to experience the fullness of life in Christ. That changed when Jesus came. He brings a PEACE to this fractured relationship and in every area of our life God brings a peace in the areas of fracture.

Do you experience a peaceful contentment in Christ? What needs to change for that to happen? How can you pray for that?
