# 1st Peter 1:3-5

**The resurrection of Jesus means we have an eternal inheritance through the salvation given by Christ. Peter gives clarity as to what that inheritance is.**

We see 5 truths that we can enjoy because of the resurrection of Christ:

1. We get to bless the Father
  - This shows that Jesus is the SON of God
  - Believers are also sons and daughters, adopted into the family of God
2. We get to enjoy the MERCY of the Father
  - His mercy is RICH, according to this text
  - His mercy is extended because of His great compassion
3. We get to enjoy the LIVING HOPE found in Jesus
  - Jesus rose from the grave and made a way for dead souls to raise to life
  - The resurrection gives HOPE
4. We get to celebrate an ETERNAL INHERITANCE
  - It's Imperishable (It can't be corrupted or destroyed)
  - It's undefiled (It cannot be stained or polluted)
  - It's unfading (It will never lose it's magnificence)
5. We get protection in God's promises
  - Our inheritance is the guarantee of all of God's promises
  - They are sealed in heaven
