1st Corinthians 6:12-20

Just because we've been forgiven from sin doesn't allow us to continue in sin. Sexual sin has a way to keep us in bondage to our lust. Paul addresses this in our text.

Have you considered sexual immorality to be more casual than the Scriptures teach? How does this mentality reveal sinful bondage instead of freedom in Christ?

What are sins that have been more damaging in your life or the life of loved ones than sexual sin?

Sexual sin is deceptive. It never delivers on what it promises.

Sexually immoral relationships are unstable and always lead to disappointment.- Andrew Wilson

How does sexual sin impact your whole self? (Physically, mentally, emotionally, spiritually)

If you are the body of Christ, how do you bring Christ into your sexual behavior? How is He glorified or insulted?

Because of the cross, you are not cheap and your body is not cheap. Stop giving it away in sinful meaningless ways.
