1st Corinthians 8:1-13

There are weaker and stronger brothers in the faith as not all of us are in the same stage of sanctification. Paul teaches how we should care for one another.

Are there freedoms that you enjoy in Christ that you didn't always enjoy? What are they?

What are some convictions that you've seen change in your walk? How has the patience and love of other helped?

Are there freedoms that you still don't find freedom to walk in? What are they? What has the growth process been like?

What are things that the Bible doesn't restrict, but you find offense when others do it? Why is it offensive?

Do you exercise freedoms without considering the people that you're around and if they can enjoy those same freedoms?

What temptations do you struggle with? Do you share those with other Christians that you spend time with to help them know what freedoms you do/don't have?
