Valley Hoodie Orders

Because of the popularity of our new fall hoodies, we are offering a second round of ordering. Next Sunday will be the final day to order a new hoodie. Simply sign up on the form in the back of the sanctuary to order. Cost is \$30 and should be paid before receiving your new merch.

Valley Ladies Event

Valley Ladies, mark your calendar for Friday, November 4th for our next event. Join us at church for a movie night at 6:30. Refreshments will be available. Keep your eyes out for more updates.

Communion

Families, we want your elementary aged children present during the liturgical pieces of our worship gathering. Although we find value in an age-friendly teaching in The Valley Kids ministry, we will be bringing your kids back into the sanctuary as we enter into communion. They are learning about communion today in their class and this will bring a great conversation opportunity on the ride home.

LAST WEEK'S GIVING TOTAL:

Acts 17:1-15

Sin entered the world and turned everything UPSIDE DOWN. The work of redemption is turning souls RIGHTSIDE UP. The ministry of Paul is an example of how the Spirit of God, through the Word of God, is powerful.

Advent is a month away and it's a great reminder that we have hope because Christ came, but we also have hope that Christ is coming back. Everything will be turned rightside up in the Kingdom. Does this give you hope and joy?

Reasons Paul was able to minister so well:

1. He Had Courage
2. He Had The Right Message
 - He reasoned with them from the Scriptures
3. He Persevered Through Conflict
 - He had unwavering resolve

Are there areas in your Christian walk that you find difficult to be bold and courageous in? What are they?

What does courage and resolve look like in our post-modern Christian context today?

The power displayed in the ministry of Paul was found in the Holy Scriptures.

Do you believe the power of God flows from the pages of Scripture today? Can you explain how? Any examples of how the power of God, through His Word, has changed you?
