

This morning let's not be just 'hearers' of the Word, but 'doers of the word. Take some time at lunch, dinner, or bedtime to DIG DEEPER into the today's lesson and story. Take a few moments to apply today's lesson to our lives.

ASK MYSELF...challenging questions for the heart:

- 1. How would you rate your knowledge of God's Word? How often are you 'in the Word'? Do you have a dedicated time and place where you read God's Word?
- 2. What was the last thing God spoke to you about through reading His Word? How long has it been?
- 3. Where are you hungry for God's Word in your life? What areas do you need wisdom or change?
- 4. How much scripture have you committed to memory? When was the last time you memorized a Bible verse? Perhaps take a small challenge and memorize a new verse this week.
- 5. How would you like to go deeper into God's Word this week?

FOR THE FAMILY...challenging questions for family life:

- 1. Talk through the big idea of this series and today's message points.
- 2. Do you have a family Bible reading time? If not, perhaps find a time (even just a couple of minutes) you can share scripture with each other during the day.
- 3. Take some time pray together.
