Week 2 || the respectable and the rotten

Make sure your view of Jesus is not small but BIG.

Exodus 33:18 - "please show me your glory"

Moses is seen a glimpse of his glory, because that's all he could handle

People who see a glimpse the glory of God respond in a few ways:

1 The Rotten 🙅

Luke 2:8 - 20,

🐑 Shepherds were not a trusted group of people

Like 8:27-29

😱 A demon possessed man fell down when he saw him- 2000 demons were not strong enough to keep this man from falling to the ground

39

👣 Declare how much God has done for you. Go home & preach

🌟🌟 The shepherd had an encounter with the Glory of God & responded with worship.

🌟🌟 The demonic had an encounter with the Glory of God and responded with repentance.

2 The Righteous or Respectable

Wisemen were respectable

The responded in worship

But another example:

Job - a highly respectable person and probably better than all of us

Job 1:8

God for some reason removed his hand of blessing from Job...he loses everything. Tension all over his life.

Job 2:10

Job and his friends... they tell him how bad he is/ how he has hidden sins. Job defends himself.

In 34 chapters Job is in the mental, physical, relational, emotional struggle. There is a struggle to rationalize and understand.

We can see the big picture but we can still struggle with the present pain.

Chapter 38- job gets to see some of Gods glory.

38:1-16

🌟 Why are you using your ignorance to deny my providence.

🌟🌟 God is allowing Job to feel the weight of his majesty

The ocean 🌊

We have only explored 5%

It's easier to go to space than it is to go to the depths of the sea.

42:5 response to God

I REPENT IN DUST AND ASHES

When he was confronted with the glory of his he was compelled to repent.

3 rejection of the lord, but we don't recommend that
