

💎💎 Joshua 3 || Here Comes Achor

📖 Joshua 7

⚠️ Sin has a habit of showing up for the celebration & enjoys the after party.

⚠️ It is on the heels of the emotional, physical and spiritual victories that sin always tries to make an appearance.

⚠️ We don't often run from sin...

⚠️⚠️ when Joshua & his people saw the enemy as big they looked to the Lord for help. BUT when the enemy was small, they trusted in their own strength and ability. And didn't need His help on this ONE.

⚠️ Don't be surprised when the Lord is true to His Word!

🎉 God will never identify the problem and then just leave you there. He will provide a path of redemption and restoration!!!

📖 YOU WILL NEVER DEFEAT YOUR ENEMIES UNTIL YOU REMOVE THESE THINGS FROM AMONG YOU. Vs. 13

⬆️ We have to remove these things or you will walk in defeat.

⚠️ We can not tame, rename or co-exist with sin. We must remove it from among us.

We have a problem with "Not Yet"
Our inability to say not yet is a subtle destroyer - a silent assassin

📖 Hosea 2:15-16

Jesus takes a place of trouble and turns it into a door of hope.

Examine my life Jesus!
Remove the destroyers Jesus!
