

Greater Things 3 :: Washing Feet

Pastor Chris Johnson

John 13:1-15

Jesus is God, Creator, not just another good guy

Presence of Judas

The Supremacy of Jesus

Foot washing was always delegated to the lowest servant or slave.

Observations to make:

Jesus Served with Both Hands

Nothing good is worth doing unless it makes us look good- what culture would have us think.

We are a selfie obsessed culture

The "baby cuddler"/ Vietnam Vet story — he wasn't worried about how this would make him look

Peter operated in false humility

Jesus served with a purpose

If you don't allow the gospel to wash over you, you have no share of him.

Social Gospel

If all we do is give water but never share Jesus & the gospel we have missed it.

What's the point in doing good things for someone but never sharing the greatest thing.

We have to consider what our actions look like for Jesus

We are lacking purpose, not people

Jesus served with open Eyes

Jesus still washed Judas' feet, he didn't celebrate him but he served him

What does serving beyond our church walls look like

Jesus is radically opposed to sin, he still loved the sinners, he confronted it

"go and stop sinning"

Jesus didn't preach hate but he preached holiness

1 Peter 1:16

You shall be holy, for I am holy

It's a narrow walk

Do just as I have done, do them
