

🏺 Nothing At All • Pastor Chris Johnson 🏺
2 Kings 4:1-7

🏠 Our church building has been a blessing to us and this community

🏠 A church is more than a building

✝️ I believe that God has more for you, for us... we don't want to limit God!

📖 2 Kings 4:1

Elisha is a mighty man of God & God was using him in big ways.

A widow's husband was a bond servant... and the tax collectors threatened to take away her boys to pay off the debt.

We have to stop using finances as a measurement of holiness/ godliness.
Sometimes obedience to God will lead the financial increase (Joseph, Jacob, Solomon) & sometimes obedience will lead to financial decrease (Peter, Paul, Jesus).

🔥 God is not limited by our imperfections.
Our imperfections often give him an opportunity to show himself most powerful.

➡️ Nothing is nothing to God. ⬅️

We wrongly assume that God requires us to bring something special or unique or valuable to the table. God is able to do more with that part of you that you would label as nothing than you could on your own with something.

When you give your nothing to God he can fill it with more than you ever thought possible.

📖 2 Kings 4:5-6

The fully committed to this action BEFORE they saw any signs of a miracle.

🏺 The amount of jars was an indicator of their measure of faith... because she had nothing at all to put in the jars.

As she pours the God of the impossible showed up... the oil kept flowing...more and more and more.

📖 AND THEN the olive oil stopped flowing. vs. 6

Often times God has a 5000 jar miracle but we only have a 5 jar faith.

📖 2 Kings 4:7

📖 Ephesians 3:20

God is better than you imagined and he offers more than you can ask for.
