

➡ Greater Things 1 :: Free Gift ➡

How is it possible to do greater things?

Faith in Jesus immediately creates tension

“My problem is that I want to follow Jesus and slap people, too.”

📖 Romans 6:23 the free gift!!!

Sin comes at a cost - Eternal separation - But there is good news! 📖

God is perfect so He will come and set us free from sin

📖 Romans 5:15-17 FREE GIFT!!!

This is core & essential, we will fight for this as a church!

📖 Matthew 13:44, Matthew 13:45

We can't keep the “free” separate from “surrender”

We need both of them as followers of Jesus

📖 Mark 10:21

And Jesus, looked at him, loved him... LOVED

when you love someone you tell them the truth

🔥🔥 If you want everything of Me {Jesus}

You have to surrender everything of you

It is free AND It will cost you everything

How does this work? This is the premise of the series! How to live in the sweet spot of this divine paradox

This is “The Way” - Mandalorian reference

They were so radically sold out to their way, their values & beliefs, that they fought in the opposition no matter what

The hero's of the faith were so Uncompromising

The way is narrow, and it will cost you but this is the way- the free gift and the surrender.
