Someone's Watching
Nehemiah 5:1-15

★☁ Internal conflict always has the greatest potential to derail a divine dream.

💰 4 groups of people 💰

1. People who didn't own land
2. Landowners who sold all their land in order to buy food.
3. People who had a little bit of money but not enough money & were borrowing money to pay taxes.
*** all these people asked Nehemiah for help.

4. The wealthy, had money, influence and power. People complained about them. And this group wasn't complaining to Nehemiah. They got richer in this time but taking advantage of those who needed help.

When things are going good....do good!

—> the 4th group did not do good when things were good for them.

Moral Authority = the credibility you earn by consistently doing the right thing, a person who is above reproach, it's more about you than what you do, the refusal to compromise even in the smallest circumstance, doing the right thing no matter the cost.

👉 D.L. Moody

"A holy life will produce the deepest impression. Lighthouses blow no horn; they only shine."
