

## The Birds & The Bees INTIMACY

There is a full out WAR on our marriages in regards to sex

Book- Every Man's Battle

"...before marriage, Satan does everything he can to get you to have sex with your girlfriend; after marriage, he does everything he can to keep you from having sex with your wife."

  basketball illustration

Our sexual baggage touch in the traditions of those in 200 AD, where there were certain times they wouldn't engage in sex - the list escalated until only 44 days a year remained for people to have marital sex. 

 Song of Songs 4

 = purity, innocence

 = resemble long silky hair in the sun

He is connecting with her  before connecting to her body

Guard the heart of the innocent and educate the ones who are old enough to hear

Sex ought to be more than just an event, it is an environment ... our culture is too often a hook up, a fling, an affair, Netflix and chill... we need to talk more as couples... talk about sex...

   Sex in marriage is often 99% action & 1% communication , it should be 90% communication & 10% action

 We do not need a legalistic view of sex or a liberal view. We NEED a BIBLICAL VIEW.

The marriage bed shouldn't be defined by sex, but intimacy. There is a difference.

 Song of Songs 5:1- who is speaking here? God speaks this word of blessing over their marital intimacy

Don't let the enemy destroy what God wants to bless.
