

James 4 || Pastor Dillon :: Faith That Works

James 1:22 - the Nike slogan before it existed! 😊 "you must do it" = faith

Obedience honors God and Inspires people.

 See you at the pole, students not backing down, examples of obedience inspires people!!!

 James 2:14-26

"James, what's the list?!"

He did not say faith + works = salvation, you can't add anything to the cross.

The outflow of the inflow

FAITH - trusts God & obeys God

❑ Faith without works is Useless

God will not bless our pretend words and works, we are not blessed to live our blessed life but to bless others

❑ Faith without works can not save us (James 2:17-18)

Wiersbee quote "Any declaration of faith that doesn't result in a changed life is a false declaration."

We can't just believe that the chair will hold us but we have to actually sit in it

❑ Faith without works is dead.

A dead faith is a faith that will only use our mind or our feelings. A true faith touches our will

Psalm 139:23-24

Am I living a life of full gospel change?
