Innocence - children

Illustration - Sidewalk chalk circle 

 1 Peter 5:8 → be sober minded and watchful!!!

God's design for marriage- one man one woman, the devil will do whatever he can to destroy this

When we operate outside of the design, the damage is personal, often permanent, and will ensure the destruction of a culture.

Children are marked by innocence and that innocence is under attack ... we as believers have to fight for it, we have to fight for them!!!

A child's heart is marked by innocence - our primary and most important role as parents is to fight, protect and aggressively defend that innocence.

 Matthew 18:1 -10

Jesus is serious about not putting the children in a position to sin...

It is the heart  of God to defend, protect, and actively fight for the child's innocence...it should be a high priority to us too!

 Monitor all online devices - set up boundaries

 If it says "for kids" that doesn't remove your obligation as a parent

 Put as many Restrictions on phones & devices as you can

 Discipline your children (  Proverbs 13:24) - Shepherding Your Child's Heart - things that are biblically based will be counter cultural

 learn to say NO, if you don't know how to say NO to your kids they will never learn how to say NO to the world 

 protect them from social media, be careful what you post and show the world about your kids. If it's private doesn't show the world, the online world is not innocent!

 have "the talk" with your kids, "How to talk to your kids about sex"

💣 no questions are off limits policy - don't get angry at questions, practice your anti-freak out face, don't yell, stay calm

💣 don't ever call them names

💣 hold out as long as possible to allow your kids to have their own social media account, you are winning if your kids are the last to have an account

🔥 Psalm 139:5

⚠️ Satans top priority in your child's life is to destroy their innocence

🔥 We can't fight for them to have a pain free existence but we have to fight for their innocence.
