

From Dreams to Details || Pastor Dillon

Nehemiah 2:8-20

What God sized dreams do you have?!

4 things in Nehemiah - of working out the details of God sized dreams

1 Resistance

➡️ Nehemiah had resistance from those who did not agree with him rebuilding

- Sanballat - his biggest enemy
- Tobiah - Weasley character in the bunch, keep your friends close your enemies closer situation

⚠️ when you push harder after God & his dreams for you, you will experience resistance from others & the enemy will try hard to work against you. VICTORY is in God alone, the enemy will not win!

2 Reflect

➡️ Pastor Dillon sat on his dream of becoming a Pastor for a while, he spent time reflecting...it was a secret between Jesus & him! Eventually he did share it but SIT & REFLECT for some time, let God be your 🙏 influence

3 Rubble

➡️ we will have to sort through the rubble in our situations, our dreams, or the rubble of our own doing- like sin ✨ by the grace of God that rubble can move!!!

Sometimes we have to clean up the rubble of someone else... Nehemiah didn't break the wall!

🙏 God's plan from the beginning was to "revive the stones" to take what was broken and redeem it!!!!

The God of Heaven will help us succeed!!! Vs. 19

4 Reliance

➡️ surround yourselves with people who know your dream, who can speak life into your dream... and who LOVE Jesus!! Be in community!

🗨️ Speak truth into others dreams!!!! Rely on Jesus to help your speak into others and into yourself!!!

✨✨ If you once had a dream but at some point in the process that dream died— it's time to dream again!!! It's time to trust again!!
