

 Greater Things 2 :: Knock Knock 

 This series is looking at the things Jesus Did.

 We have to get this first step right.  
Or we will never live in greater things.

John 14:12

Luke 11:1-13

Duet. 6:4-7 the Shema prayer - to set their mind and attention on God.

Luke 9:54-56 this is well beyond discipleship 101

 Jesus is the perfect Son of God. And while he was on earth he depended on prayer.  
Jesus needed to pray while in earth, how much more do you and I need to be praying.

 “ACTS” prayer (a pattern of effective prayer)

Adoration

Confession

Thanksgiving

Supplication

Hospitality was placed in a huge priority.

It's different today...

Vs 11-13: Jesus is moving from the lesser to the greater, if the annoyed friend will respond positively, how much more will your Heavenly Father respond positively.

He is our Father and we are his children.

OT - the Holy Spirit was reserved for only a select few, but we have access to the bread (Jesus) and the Holy Spirit and that's Good News

You can't just talk about prayer you have to put it into practice.

Grace is opposed to earning , but it isn't opposed to effort.

Too many of us are experts on prayer, but don't actually pray.

You want to pray like Jesus did then you have to pray, with persistence

Start praying carve out time

It's time to pray

He said be persistent, be consistent & know that your father loves you and is good to you.
