

🌾 Ruth 5 :: Happily Ever After 🌾

Pastor Chris Johnson

Ruth 4

👦 Boaz is the small h hero and God is the big H Hero in this story.

Boaz lays it on thick with Ruth but then has no follow up... this frustrates Naomi so comes up with a plan.

🔥 God pursues us even when we do things wrong or inappropriate

The responsibility of the Kinsman Redeemer - to keep the family line moving forward

🔥🌟 When you are more worried about Legacy than about Integrity, you lose

In this story, the happily ever after is married with children.... The world is trying to destroy what the Lord has promised to bless.

It doesn't matter where you come from or what you've done when a person meets Jesus & he changes everything.

Marriage is a gift

It's a divine adventure

Kids are a gift

Grandkids are a blessing, they will restore your youth

Boaz's Legacy is divine

Matthew 1 shows the lineage of Jesus and in the middle is Boaz & Ruth, all because of one choice to follow God.

This is a story of - REDEMPTION

3 marks of a Redeemer

- 1 Had to be a near kinsman
- 2 Had to be able to afford the redemption price
- 3 Had to be willing to Redeem

Pursue God over our Legacy

Redemption costs us nothing, Jesus paid everything
