

🌾 Ruth 2 :: Be aware of the Wake 🌾
Ruth 1:8-22

- 1 Be aware of the Wake you create
- 2 Be aware of the Wake you are caught in

The enemy doesn't care if you are on the outside of the wake...
When someone steps outside of the parameters, who's to blame? Certainly not God

Naomi directs all of her blame on God

When we walk in obedience we often run into blessing

CLUNG TIGHTLY vs. 14

Naomi - her faith is all over the place, is struggling, she is desperate for God, conflicted & confused

VS. 16-17 - This could be Ruth's conversion, she is proclaiming God & wants to be apart

Elimelech- goes to Moab, for security, profit, etc
Ruth- she leave security, leaves family, goes to the unknown, no hope

🔥 It's hard to imagine victory when all you see is defeat.

In the times of a wake:

🔥🔥 You can either run from Him or run to Him.

Naomi doesn't have a great view of God at the moment but she fights to get back into the parameters of God's blessing.

❤️❤️ God loves you so much!!

It takes prayer, but It takes action.

Naomi didn't have to go alone. As Naomi was trying to cling to God, Ruth was trying to cling to Naomi.

Cling tightly to God, find people to cling tightly with

In the wake? Stay there

Outside of the wake? Fight to get back in

Find someone to fight with you & for you.

Get back into the blessings of God, the house of God, surround yourself with the people of God, consume the Word of God. obey the will of God.
