

## The Kiss & The Curse 1 Notes

Nothing about this night took Jesus off guard. He knew what was going on.

Judas was ONE OF THE TWELVE 🏠 vs. 47

Judas was one of us.

Judas was on our team.

Judas was there when:

The storm raged 🌪️ & Jesus had the storm 🚫

Jesus passed out the 🐟 and the 🍌

Judas was on the 🚤 & Jesus walked on 🌊

Jesus healed the paralyzed 🧑🏻‍🦯 & blind 🙈

He was 🏠 of the 12

Matthew 10:1-4 - "who betrayed him"

Judas was called by Jesus as his "friend" and Jesus knew that despite what Judas would do Jesus would never stop loving him. 🤝👤

THIS ALL SPEAKS TO THE NATURE OF JESUS NOT JUDAS!!!

Judas was tired because he understood what it meant to be a TRUE disciple of Jesus. He knew what it meant to truly follow Jesus.

🔥🔥🔥 Salvation may be free discipleship is costly.

The last 3 years Jesus & the disciples were undefeated.

But tonight was the first loss. The first time they saw Jesus as a victim not a victor.

In human eyes this was a defeat beyond all others, but....

The plan was going so well until the Devil's kiss

All of the plans in your life were falling into place.... Until something changed- something happened.

🌙 The dream turned into a nightmare 🌙

The devil's kiss changed the entire trajectory of your life & you are left reeling and lost - not knowing where to turn.

The devil's kiss has no power to derail God's plans.

The father's kiss- Luke 15:20 📖

The kiss from Judas and the kiss from the father were both scandalous — but for entirely different reasons. The father's kiss was not throwing stones, it changed everything

The devil's kiss is scary, confusing, intimidating, isolating, brings doubt + fear + loneliness BUT it's powerless to derail the plans of God.

The father's kiss has the power to change absolutely everything - he is waiting for you

We make far too much of the devil's kiss and far too little of the father's.
