

🏔️ James 6 🏔️  
43 Quintillion

Rubik Cube there are more ways to solve this than there are grains of sand over the earth

📖 James 1:5

God doesn't expect us to understand it all.  
But he does want you to ask Him for wisdom.

📖 James 3:13-18

2 sources of wisdom

- 1) worldly wisdom
- 2) Godly wisdom

### 🚫 WORDLY Wisdom 🚫

- We are the source, humanity is the source of this wisdom
- at its core is selfish, it's about trying to get what I want, "everybody does what's right in their own eyes"
- I am my own god
- Pursue success at all cost
- commitment-less
- many social political issues rely on worldly wisdom & we are bombarded with this - James 3:15
- leads to arrogance

### ✨ Godly Wisdom ✨

- God is the source
- leads to humility

📖 Isaiah 55:8-9

43 Quintillion - all the zeros of the likelihood that Jesus would fulfill these prophecies. 1  
quintillion=1+18 zeros  
8 prophecies = 28 zeros  
48 OT prophecies is 1 + 157 zeros

🎉 God in His divine wisdom understands all of this & is able to do EVERYTHING he promised he would do.

- his ways are higher
- depth of his wisdom are beyond our comprehension
- Godly wisdom produces peace

Prophecy that has been fulfilled makes more sense than prophecy that has yet to be fulfilled.

 James 1:5 

 Israel will always matter on the global scale, God won't abandon Israel

Ezekiel 37:11

Isaiah 66:7-8

Has a nation ever been born in a day? Yes Israel May 14, 1948

Ezekiel 38

Prophecy yet to be fulfilled is beyond me, so I have to ask God for wisdom!

Godly Wisdom would say be aware

James 3:18
