How do we live this life? Much of that depends on how we view this life and how we view eternity. Do we live for today or eternity? Do we believe what God has told us about life, death, and faith? Do you look forward to the life eternal with God? The resurrection of the dead? If so, it will have major effects on how you live today!

Q. 93. Which are the sacraments of the New Testament?

The sacraments of the New Testament are, two only, Baptism, and the Lord's Supper, and these take the place of Circumcision and the Passover in the Old Testament.

Q. 94. What is Baptism?

Baptism is the sacrament of solemn admission into the church on earth in which the washing with water in the name of the Father, and of the Son, and of the Holy Spirit, signifies and seals our being grafted into Christ, and having a share in the benefits of the covenant of grace, and our pledge to be the Lord's.
