## Jesus Is Coming

*Mark 13:1-27*

*March 5, 2023*

Few topics seem to interest Christians more than the end times. It is why there have been repeated attempts to determine when the world will end. In our passage today Jesus prophesies the destruction of the temple of Jerusalem and the impending end of the age. Jesus will give clear thoughts on how we should view this impending events. The question we'll consider today is why does Jesus tell of the coming destruction and what does it mean for the Jews and for us?
