All of us can always make wise or foolish decisions. We can choose the path of wisdom or folly. Which way will we go? The choice seems obvious, but we live in a fallen world and that means it is not always easy. Our hearts are bent towards sin. And yet the call is to pursue wisdom and righteousness!

Q. 91. How do the sacraments become effective means of salvation?

The sacraments become effective means of salvation not because of any power in them or in him who administers them, but only by the blessing of Christ and the working of his Spirit in those who receive them in faith

Q. 92. What is a sacrament?

A sacrament is a holy ordinance appointed by Christ, by which, by visible signs, Christ, and the benefits of the new covenant, are represented, sealed and applied to believers.

2. Read [Ecclesiastes 10:1](#). What is Solomon’s point? Do most people believe this to be true?
3. Read [Psalm 14:1](#). What does the fool say? Do you see this reality in the world today? How does this statement effect the world today?
