Q. 59. Which day of the seven has God appointed to be the weekly sabbath?

From the beginning of the world to the resurrection of Christ God appointed the seventh day of the week to be the weekly sabbath, but thereafter he appointed the first day of the week, to

continue to the end of the world, which is the Christian sabbath.

Q. 60. How is the sabbath to be sanctified?

The sabbath, which is given for man's good and as a pointer to his eternal destiny, is to be kept holy by resting all that day from our work and recreations, and spending the whole time in the public and private worship, except the time spent in works of necessity and mercy.
