East Grand Community Services update

We've finally been able to start adding some new kiddos who have been on our wait-list since this summer! This means we are now able to use the up-stairs space for our fourth- and fifth-graders! It's pretty amazing to see how the Lord has continued to bless us and given us growth. We're grateful as always to East Grand Church for your continued generosity as we use your space each week. Thank you for your partnership in this growth!
