Icebreaker

Describe some of your favorite moments from this season of the year.

Psalm 46

What is one thing that stood out to you from our passage and/or Justin's message?

Peace (Shalom) in the bible, points to the reweaving of the fabric of creation to what it was intended to be, and God makes promises about that peace throughout His word. **Why is this significant?**

There is present turmoil.

What is some turmoil that you see in and around your life?

Promised Peace of Provision (v.4).

What is challenging about waiting on the Lord?

Promised Peace of Presence (v.5).

Why does God allow turmoil to persist?

Promised Peace of Protection (v.7).

What are some things that we look to for "protection/security"?

Read Luke 2:11-14

Jesus is our **provision** (cross), **protection** (resurrection), and he gives us his **presence** (Holy Spirit). What is different about this message than any other message?
