

Read Romans 16:25-27

What is something that stood out from Clayton's sermon?

Clayton said it can be easy for us as Christians to "learn the steps" of Christianity but to forget the Father. **In what ways can you get caught up in "doing the steps" but forget the Father?**

The Gospel is not just good advice, it is Good News. **What does this mean? How is this different from current self-help resources?**

Clayton mentioned that the entire Old Testament points to Jesus, **What are some examples from the Old Testament that point to Jesus?**

Clayton described 2 groups of people: the moralist and the irreligious. **What do you remember about each of these types of people? How does each type attempt to earn their righteousness?** (*The irreligious do not think their sin is that bad or needs atonement, the moralist makes self-determined rules to judge others and their own righteousness*).

What does it practically mean to live in light of the victory we have in Christ?
