Icebreaker

Describe the most foolish/silly thing that you have done in public.

Daniel 1

What is one thing that stood out to you from our passage and/or Justin's message?

In your own words, how would you summarize what happened in Chapter 1 of Daniel?

Justin said that if we are going to live in the world but not of the world, we need wisdom. **What is biblical wisdom?**

How does Daniel exercise biblical wisdom in our passage? / When was a time that you exercised this wisdom like Daniel (at work, school, social interactions, etc.)?

Justin said that a wise life is a regular encounter with:

- The **sovereign power** of God so that you know you aren't king.
- The **sufficient provision** of God so that you know that He is better.
- The **steadfast love** of God so that you know your identity is secure.

As a believer, how is it **hard** to believe that God is sovereign (in control), that God is better, and that God's love is steadfast (or unending)?

How is it hard to live wisely?

How can we saturate our lives with God and His character?
