

Read Ephesians 4:1-6

What is something that stood out from Justin's sermon?

Why do you believe that Fellowship chose *Together* as a core value? How does the Gospel relate to our ability to be together and unified as a church?

What are some of the potential issues we should be on guard against being in a church of diverse people with differing life experiences?

What are the benefits of being *Together* as a church? And what does that communicate to a culture that is centered on division right now?

Justin mentioned that we have a posture of patience with one another because of our salvation. **What are some examples in your life of when you were shown a lot of patience from another person, how did that affect your relationship with them?**

Of the 4 postures of a *together* church, which can you ask the Lord to grow you in for this year? (*which of the 4 may be lacking in your life/posture*).

- Humility and gentleness towards one another
- Patience with one another
- Bearing with one another in love
- Being eager to maintain the unity of the Spirit in the bond of peace

Read through Fellowship's statement of faith as a group. *These are the things our church is united in (primary doctrines). You can find them at fbclife.org/beliefs*

Are there any ways our current Life Group can be more *together* or united? Are there any seeds of disunity that we should focus on being united in?

Men's/Women's Time

Have a time of sharing. (*i.e. Share highs/lows in this season, needs in your home/community, etc.*)

PRAY for one another.
