

Read Philippians 2:12-18

What stood out/challenged you from Pat's sermon or these verses?

What does Paul mean when he says, "work out your own salvation with fear and trembling"? (*Refer to verses 12-13; obedience to God from a place of awe and reverence of God*)

Pat mentioned that you don't *have to* be in a discipleship group or Life Group, but it is better for your spiritual growth if you are. **How have you seen yourself grow spiritually as a result of this life group and/or discipleship?**

All of us have regrets and failures in our past. **How have you seen God's presence and power move in the midst of those regrets and failures?**

How does Paul's command in verse 14 relate to Christians shining as lights in the world?

Reflect on a time or season of life where you spiritually grew exponentially. **What was true of that time of life that you believe led to your growth?**

In light of Sunday's sermon, what is a step of obedience that you can take this week?
