

Life Group Notes / A New Identity in Christ / 2.27.22

Icebreaker

As a kid, what was one thing that you were super in to that didn't make any sense?

Ephesians 1:3-14

What is one thing that stood out to you from our passage and/or Justin's message?

What are some things that culture says should define us? / Where are you tempted to believe these things to be true?

Jesus has given us a new identity. According to our passage, God has:

- Chosen us
- Adopted us
- Redeemed us
- Designated us as coheirs
- Sealed us with the Holy Spirit

When did these truths first become real to you? / Why is it hard to believe these truths sometimes?

Why should this new identity lead us to joy and humility?
