

## God's Glorious Character / 5.29.22 | Key: Question (Leader's Notes)

Icebreaker: **What do you wish you could tell your middle/high school self?**

---

Read Daniel 10

**What is one thing that stood out to you from our passage and/or Alex's message?**

We often think, "God tell me my future, so I can obey you." **What does this say about the reality of our faith?** (*Knowing our future doesn't increase our faith. Knowing the God who holds the future in his hands increases our faith.*)

**What does our passage communicate about God's character? What does it communicate about humanity?**

1. God's holiness / Our sinfulness

**What is hard about this message? What is encouraging?**

2. God's power / Our weakness

**How do you view your struggles and weaknesses, knowing that God is all-powerful?** (*God is in the business of humbling those who think they are strong on their own.*)

**What comes to your mind when you hear the term "spiritual warfare"?** (*This helps transition us to a healthy fear of God.*)

3. God's love / Our fear

**Why does God's love for us lead to a healthy fear of Him?**
