

## Life Group Notes / Hope: Psalm 23 / 11.28.21

### Icebreaker

Describe a time that you eagerly waited for something.

---

### Psalm 23

What is one thing that stood out to you from our passage and/or Clayton's message?

**God is with me.** How is this truth actually life-changing?

**God leads us to rest.** Why do we find it so hard to rest?

**God leads our direction.** What is challenging/encouraging about this?

**God leads us in our suffering.** How is this countercultural, good news?

**God leads us to the table.** How does God delighting in you, impact your view of God and of others?

**God leads us to eternal life.** Why does this matter?

How do each of these truths, individually, give us **HOPE** right now in 2021?
