**How does the Gospel impact how we approach parenting and honoring our parents?**

Maturing in Christ is moving from being a recipient of grace to being responsible for extending grace. **What is an example of a time you extended grace to your child or to your parents? What was the result of that situation?**

**Is there an area where you can extend additional grace to your parents or to your children?**

Clayton said, "Parents should be honorable by having Jesus as your first love." **How can you demonstrate that Jesus is your first love in your day to day life with your family?**
