

Read 1 Peter 1: 3-9

What stood out or challenged you from Justin's sermon?

Can you think of a "little s" savior that has been demanding more and more from you recently?

Share a time when you had an external change without an inward heart change. Why was this ultimately unsatisfying?

Do you think non-Christians in your life see the joy of the Lord in your life?

What areas of how we live are examples of the joy of knowing Christ?

How have you experienced Jesus walking with you and protecting you in a season of pain and suffering?

Christianity doesn't restrict our joy, but rather it is designed for our deepest and greatest joy. **Why do you believe then that some Christians have a lack of joy? Why is this wrong?**

How can we increase our joy of Christ in this Life Group?
