

Life Group Notes / A Year of Abiding / 1.2.22

Icebreaker

What is something silly that happened to you this past year?

John 15:1-11

What is one thing that stood out to you from our passage and/or Will's message?

Why do you think that we as a culture take stock of the year passed, and look longingly to the new year?

What is the value of looking back over the past year?

When you think of "abiding", what comes to mind?

Why is Jesus worthy of being abided in?

Why is it vital that God has all of us, not part of us?

What do you hope to be true of this coming year?
