### Read John 8:38-58

**Did anything stand out either from Daniel's message or reading through John together?**

Christ is faithful. **What things is Christ faithful to? How should the faithfulness of Christ impact our faithfulness in following Him?**

Daniel mentioned that when we say we are good people, we are misunderstood and measuring our "good" by the wrong standard. **What do you believe he meant? What standard should we measure "good" by, and how would that change how we view what is good and what is not?**

All sin is fundamentally a lie. **How do you see this true in your own life? How is the sin that you commit fundamentally a lie?**

Christ is truthful and Christ is truth. **Why do you believe our culture is so easily tempted to believe truth is subjective? How does the bible speak of truth?**

Christ is the giver of life. **Why is it important to understand that Christ is ultimately after giving us life, and not giving us a long list of moral rules? What is the difference?**

Daniel mentioned our response to God's character should lead us to humility, surrender, obedience, and whole hearted worship. **Which of those 4 responses has lacked most for you recently? What would it look like to respond to God's character in that way this week?**

**If you didn't last week: Please mention Re:Generation to your group** – Sign ups are live on the website now. If you need more info on what Re:Gen is, visit [www.fbclife.org/re:generation](http://www.fbclife.org/re:generation)
