

A Savior Who Delivers & Rescues / 4.24.22 | Key: Question (Leader's Notes)

Icebreaker: **In your professional opinion, what is THE most terrifying animal currently alive today and why?**

Read Daniel 6 *(and then ask someone to summarize what we just read.)*

What is one thing that stood out to you from our passage and/or Pat's message?

What do you notice about Daniel's reputation in our passage? (Verses 3-4)

What do Daniel's actions in verse 10 show about his view of the Lord?

Self-assessment: **How do you honestly think people perceive your words/actions/character as a Christian? Does this perception align with what you actually claim to believe?** *(Have everyone reflect to themselves for 30 seconds, and then ask the following question.)*

How does the way that you view the Lord shape the way that you live your life? *(Relationships, conflict, work, social, etc.)*

Daniel was both engaged in the culture of his day, but fully submitted to God in the midst of it. **As Christians, where are we tempted to live only in the world or only separate from the world?**

How does God move in Daniel 6? / What does this show you about who God is?
