**What stood out or challenged you from Clayton's sermon or these verses?**

Lying separates not only our relationship with others, but with God as well. **How have you experienced this to be true in your life?**

Clayton mentioned that the reasons we lie are flattery, deception, slander, false teaching, and exaggeration. **Which of those 5 reasons are you most likely to use when bearing false witness?**

Clayton also said that we lie because we believe lies. **What do you think he meant by that? What lies do we believe that lead us to lie ourselves?**

**Why are we slow to share the "last 20%" of who we are with others? What keeps us from believing there is grace for that last 20%? (Both with others & with God)**

**How does the Gospel speak to our desire to lie? How does it apply to us after we have lied?**

### ***Men's/Women's Time***

You won't be able to be fully loved by others until you allow others into every aspect of your life. **Is there an area of your life that you have been dishonest about?**

**Have a time of sharing. (i.e. Share highs/lows in this season, needs in your home/community, etc.)**

**PRAY** for one another.
