

Easter Sunday / 4.17.22 | Key: **Question** (*Leader's Notes*)

Icebreaker: **What is your favorite Easter tradition/memory?**

Read John 20:24-31

What is one thing that stood out to you from Justin's message/our passage?

What do you think the first century church was thinking/feeling after the resurrection? (*Especially his followers*)

What is significant about Jesus' response to Thomas in our passage?

How has Jesus met you in a similar way? (*Sin, unbelief, wandering, etc.*)

At the resurrection:

- Hope defeated despair.
- Peace defeated hostility.
- Grace defeated sin.
- The King defeated all of our greatest enemies.

How does the message of Easter continue to be refreshing good news TODAY?
