

Read Exodus 20:4-6 and Exodus 32:1-35

**What stood out or challenged you from Alex's sermon?**

The 10 Commandments are not designed to be burdensome, but instead for our good and God's glory. **How are the two commandments we have discussed so far for our good?**

We become what we worship. **Why is this both bad and good news for us?**

**What are the things that you worship other than God? Have you seen yourself becoming like those things you worship?**

**How have you/are you being changed by God through your worship of God?**

The wrath/anger of God is mentioned multiple times in Exodus 32. **How is it possible for God to be angry/wrathful, yet refrain from sinning?** *(since God cannot sin)*

**Is it possible for us to be angry without sinning? If so, what is an example?**

**What are some characteristics of Aaron when the Israelites make the golden calf, and when Moses comes back down from the mountain? In what ways can we act like Aaron and Israel?**

The best news is that the God that we worship became like us. **Why is the Gospel such good news in light of the "golden calves" we build in our lives?**
