

Read Luke 1:39-56

What is something that stood out from Justin's sermon?

Nothing you do or don't do earns God's grace. **Why is that hard to believe?**

The Christian life doesn't put us and what we do at the center, it puts Christ and what He has done at the center. **In what ways are we tempted to put ourselves at the center of the Christian life instead of Christ?**

Christ doesn't love the future you who has it all together, He loves you right now. **How does knowing that truth affect how we as Christians respond to our sin and shame?**

We respond to God's grace by surrendering to God's will in our life. **In what ways have you had to submit to God's will in your life? What is something that the Lord may be asking you now to submit to His will in?**

We respond to grace by surrounding ourselves with community. **How have you seen surrounding yourself with community (or lack thereof) impact your relationship with the Lord?**

We respond to grace by worshiping. **What does it look like for us to live lives of worship? In what ways can we more consistently worship and bring God honor outside of Sundays?**

Do you have the joy of the Lord? Or are you simply doing things for the Lord?
