

When Your Whole World Falls Apart... / 5.15.22 | Key: Question

(Leader's Notes)

Icebreaker: **Describe a time when you had a plan and it fell apart.**

Read Daniel 8:1-27

What is one thing that stood out to you from our passage and/or Justin's message?

Justin gave us three solid rocks that we can stand on:

1. *We can trust God's unchanging Word.*
2. *We can trust God's sovereign goodness.*
3. *We can trust God's sacrificial grace.*

Where in your life are you prone to doubt God? How do these "rocks" speak to our doubts?

What is most encouraging about God's word being true and unchanging?

(Time for vulnerability) **What is most challenging or even frustrating about God's word being unchanging?**

What are some examples of false saviors in your life that have over promised and under delivered? How has Jesus ACTUALLY delivered on his promises in your life? *(He is our true savior.)*

Who are some friends or family members that have pointed you to God's truth in a season of doubt?

Men's/Women's Time

Have a time of sharing (i.e. Share highs/lows in this season, needs in your home/community, etc.)

Is there someone that YOU can come alongside in this season to point them to God's truth?

PRAY for one another.
