

Read Romans 16:1-16

What is something that was encouraging or challenging from Pat's sermon?

Godly relationships in the Body of Christ thrive only if they're fed and nourished. **How have you felt fed and nourished by your community as of late?**

What is a way this life group can better feed and nourish each other? *(how can this Life Group better fulfill each other's needs and point each other to the Lord).*

The best protection for our team's minds against false teaching is adhering to God's truth. **What are some examples of false teaching that we need to be aware of in 2023? What does God's Word say about each of those teachings?**

It is important for our hearts to be wise to what is good, and innocent as to what is evil. **What does that mean? What are some examples of what it may look like to be wise to what is good, and innocent to what is evil?**

One of the best things you can do with your "team" is to embrace and celebrate what Christ has done, and is doing, in you and those around you. **What are some ways that we have seen this "team" (Life Group) point each other to Christ? What are some ways this team has celebrated each other well?**

Pray a prayer of thankfulness for the Lord giving us a team in our Life Groups, and ask that He would continue to use your Life Group to point each other to the good news of the Gospel over and over in the future.

Men's/Women's Time

Have a time of sharing. *(i.e. Share highs/lows in this season, needs in your home/community, etc.)*

PRAY for one another.
