

Read Ephesians 4:11-16

What stood out or challenged you from Justin's sermon?

Everyone is here because you guys see some of the benefits of being together as a church. **What are some of the costs that are associated with being in a together community?**

What is something that stood out from Justin's sermon?

What was your initial response when Justin said "The primary work of ministry is done by you" and not him?

How has FBC equipped you to do the work of ministry?

One of the benefits of living the Christian life *together* is that it grows our knowledge and experience of Jesus. **How has this Life Group grown your knowledge and experience of who Jesus is?**

Justin challenged us to be open to receive and open to give in a together community. **In your current season of life, would being more open to receiving or being more open to giving expand your enjoyment of Christ?** *(What would be your response to Justin's challenge at the end?)*
