

**Upcoming Events to tell your life group about:**

- August 21 – Kidslife Open House
- August 24 – Released Leadership Development
- September 7 – Men's Breakfast

**Read 1 John 1:5 through 1 John 2:2**

**What does it mean that Fellowship believes that the Gospel is for every issue? Take a popular "issue" we face as people in a fallen world (anxiety, grief, or loneliness for example), how does the Gospel speak into that issue?**

Alex said that our willingness (or unwillingness) to be honest is evidence of our understanding of the Gospel. **How is being honest and understanding the Gospel intertwined?**

**How would you define an "advocate"? Why is it important that we not only have an advocate, but that the advocate we do have is Jesus Christ Himself?**

Alex mentioned a lot today the phrase "gospel identity". **What is your identity in the Gospel? How can we grow in believing and trusting that identity?**

When we are reminded of our heavenly identity, it impacts our earthly activity. **What are some examples of "activities" we do as a result of (not to earn) our heavenly identity?**

**Something essential to following Christ is being a part of a gospel community. How have you seen being a part of a gospel community, such as a life group, impact your relationship with Christ ?** (Leader's note: If group members are yearning for more gospel community, discipleship groups are the perfect next step for them. More info is at [fbclife.org/discipleship](http://fbclife.org/discipleship))

**When was a time that you were honest about something that was hard to be honest about, what was the result? How did the Gospel speak into that situation?**

---

**Men's/Women's Time**

**Have a time of sharing. (i.e. Share highs/lows in this season, needs in your home/community, etc.)**
