

## **Our New Treasure / 8.28.22 | Key: Question** *(Leader's Notes)*

**Icebreaker:** What is one hobby/activity that you would like to learn or try?

---

Read Matthew 13:44-46; John 3:1-3; Romans 5:8; 1 John 1:9

**What stood out to you from Justin's message?**

"What comes into our minds when we think about God is the most important thing about us." **How do you think this practically has an impact on us?**

**What are some things that we treasure?** *(Look at our calendars, words/actions, energy, resources, etc.)* **Do these things help us treasure Jesus more, or less?**

We were made by God to be treasurers to reveal something about himself.

**Why is this significant?** *(Jesus wants to be our primary treasure.)*

Treasuring is more a heart posture than an active choice. **What does this mean?**

**What is the actual transformation that the Gospel brings?** *(The Gospel gives us a new heart to treasure Jesus.)*

**How does the Gospel show us that we have a better savior?** *(False saviors over-promise and under-deliver.)*
