

Read Philippians 2:1-11

What stood out/challenged you from Clayton's sermon or these verses?

Unity grows in humility. How have you experienced humility unify people?

How have you experienced pride be an obstacle to unity?

What are the areas in your life that you can "take pride in" and as a result have a lack of humility? Why do you think that area is particularly hard to have humility in?

What does Paul mean when he says "complete my joy by being of the same mind"?

Why is it significant that Christ, "who, though he was in the form of God, did not count equality with God a thing to be grasped" (Phil 2:6)?

Re-read Philippians 2:9-11. **How does being aware of this reality affect how we live, love, and serve today?**

What does it practically look like for you to live with a daily awareness of your need for God's grace? How might your life look different if that were true?
